

## Automates Immunization Compliance Management

### BENEFITS

- ✓ Saves Staff time
- ✓ Automates Health Center Compliance
- ✓ Automates Immunization Tracking
- ✓ Patient Letter Generation
- ✓ Communicates with Students & Campus Information System
- ✓ Integrated with Medicat EMR
- ✓ Generates Emergency Compliance Lists

*“At UNF we have been using Medicat to track our students’ immunization compliance. During a recent audit, it was extremely helpful to have this electronic information at the touch of our fingers. In addition, students appreciate our ability to timely access their immunization records.”*
