- ✓ Enables student appointment entry & cancellation
- ✓ Allows secure notification of required tests, exams or follow-up appointments
- ✓ Reduces staff data entry
- ✓ Relieves your staff of routine tasks
- ✓ Provides accessible Online Forms
- ✓ Student Online Entry of Medical History, Insurance and Immunizations (with staff verification)

*“We were searching for ways to save nursing hours in our allergy clinic. After changing clinic hours and eliminating walk-ins, we still had to deal with all of the phone calls for appointments. **Online scheduling saved the day!** Over 85% of our allergy appointments are now made Online, eliminating hundreds of phone calls. Students love the flexibility of making appointments whenever they want.”*

**Kenneth Tolley**  
Director of Administration  
University of Virginia  
14,000 students
